FOR IMMEDIATE RELEASE

Mayor Bob Foster Carries on Tradition, Shares Vision for the Future *Long Beach Junior Chamber Toasts Mayor's First 100 Days at Luncheon*

Long Beach, CA—The Long Beach Junior Chamber will host Mayor Bob Foster at a luncheon commemorating the first 100 days of his leadership in Long Beach. The 100 Days Luncheon will chronicle his administration's initial accomplishments and offer a preview into Mayor Foster's vision for the future of Long Beach.

"It has been twelve years since we hosted Mayor Beverly O'Neill for her first 100 days in office," said Tamara Greet, 75th president of the Long Beach Junior Chamber. "This tradition provides us a wonderful opportunity to welcome our city's new leadership, as well as underscore our long history of support in the community."

Proceeds will benefit the Long Beach Junior Chamber and the Long Beach Junior Chamber Foundation, a 501(c)3 organization dedicated to raising funds for Long Beach charities, including the Mary Pat Bamrick Adopt-a-Teacher Grant Program.

"We are proud to be a part of the future of Long Beach," said Randy Terrell, community development VP for the Long Beach Junior Chamber, "and we are honored to be celebrating our Mayor's vision for our city."
