Laura Wilson Doud:

Fresh Approach, Fresh Insight, Fresh Energy

After years of out of control spending, questionable actions from the Auditor's Office, and a city government that has left us with a lack of city services, **enough is enough!**

Laura Wilson Doud is ready to lead and determined to succeed!

Laura will establish an office based on the following:

- **Independence:** Putting the public's interest above special interests.
- **Information:** Providing transparent and accurate information. I will let you know what is going on, and where your tax dollars are going.
- **Initiative:** Identifying all revenue due to the city, and making sure it is all being captured.
- **Innovation:** Launching new ideas to protect taxpayers and improve city services.
- **Integrity:** Restoring the public's trust and confidence in the City Auditor's office.
